## **Letter from the President . . . .**

At the time of this writing, just a week ago we were dancing. Now, we are all focused on CV-19 & self-quarantine. Our toilet paper and sanitizer is something we figured out might be worth more now than our 401-K!! So much has happened in one week.

Right around the same time news on CV-19 started to ramp up, we became more engaged with the By-Laws and the actual organization of the club and realized to operate it ethically, we have to set it up as an organization; most likely a 501c (3). We'll work on that now but will have to work on some of the administration to do it right. We are a little sorry that this has to be tackled now as we have just begun our service to the club as President, however it's very important that we work on this early. If there is any question to the timing or actions, we welcome everyone's feedback.

We're a social bunch of folks in a time when touching hands, yellow-rocks and finger foods are out of style for a while. And when we do get back into dancing, we'll be at a "new normal". For now, it doesn't look like we can return to dancing until May. Until we can be together, let's keep each other out of isolation and reach out and call someone every day. A short time ago, we realized that as a square dancer, you're learning all about your fellow dancers in 5 minute sound-bites...10 if you happen to sit out a dance. So isn't this a great time to really get to know each other?!!

To your health,

Cindy and Mike

**VISITATION SCHEDULE – All Swingin’ Singles dances and visitations are cancelled until further notice.**

We have been missing y'all on the dance floor. Hope everyone is staying as safe as possible. It has been a great year of dancing so far. As soon as this virus is under control and it is safe, we will see you back out on the dance floor.

Tom Miller, Vice-President
