President's Message

Square dancing is something we all love to do; including round and line dancing...so then, why do so many dancers think that we should change everything around to be the way that we, as individuals, think it should be? We spend so much time and energy being upset that things are not as we individuals think it should be, that we miss out on enjoying what a good activity we have! I know that we all will never agree 100%, but we have such a good thing in square dancing, that we need to put our differences aside and work together on supporting each other.

The Swingin' Singles belong to the Heart of America Square Dance Association, the Northeast Kansas Square Dance Association, the Northwest Missouri Square Dance Association, and the Heart of America Singles Square Dance Association (HASSDA); and yet, we do not support each other from Club to Club, or Association to Association, or State to State. Let's put our personal; and yes, sometimes petty differences aside, and work together for anything that will support and advance square dancing. The Missouri State Festival was so much fun this year that I am sorry I put off going before now; we had such a good time being together....dancing, eating, getting to know each other better. The fellowship was great!!

Let's step up and serve our clubs and each other. I know that a lot of you good people have served your clubs over the years, and are tired, but what alternatives do we have?

I wish you all God's Blessings for a wonderful THANKSGIVING DAY!

Don Adkins

All the ghosts and witches are gone, and now we can get ready for some real food with Thanksgiving just around the corner. Looking forward to turkey and dressing soon!

We have two dances in November: Veteran's Day Dance on the 3rd; and our Thanksgiving Dance on the 17th. Snacks for all; so come and have fun and dance and eat!

Helpers for the month of November are:

- Jay & Connie Templin on the 3rd
- Dane & Kathy Battiest on the 17th

A **great big Thank You** to all that volunteer to help!

- *Francis Tiller*

P.S. Sometimes members don't know what to bring for refreshments. Please remember, **ALL members** are encouraged to help fill the refreshment table. We have lots of guests and members attending our dances, and it seems that square dancers are usually hungry!

If you don't cook, stop by the store on your way to the dance and pick up an item or two. We can always use cookies, cakes, pies, fruit, veggie trays, sandwich trays, and salads. Lots of other items as well. We need forks, spoons, paper plates, and regular coffee and decaf coffee, too.

Thanks for helping to make our dances the best in Kansas City!
